Gorgeous, previous model home on a large lot and backs to the open space. This beautiful 2,214 SqFt home, 4-bedrooms, 3-full-baths is filled with plethora of upgrades and improvements. This home features a beautiful bedroom and a full bath downstairs, amazing crown moldings, and a true R/V access. The large salt water pool has an electric safety cover, is overlooking the open space and you feel as if you are in your own country property. The large yard has no rear neighbors and has ample space to relax or entertain your family and friends. Welcome home! This is where awesomeness happens!
